

Welcome to the 2018-19 School Year,

Each new school year brings joy, excitement, and anticipation for the many great opportunities our students, staff and community members will experience at Horace Allen School. I am so proud and fortunate to be a part of such an amazing, close-knit school community and look forward to the 2017-18 school year. Together we will make it a year filled with learning, laughter, and memorable experiences!

Our motto is “Achieving our personal best in a safe and caring environment” and we take this pledge very seriously. Every decision that we make is determined by whether or not our actions will enable each and every member of our school community to grow academically, socially, and emotionally in order to achieve their personal best.

Capable and concerned citizens not only have the knowledge and skills necessary to meet the challenges they face, they are also cognizant of how their words and actions affect other people and the world around them. We are deeply committed to making sure that Horace Allen School provides a safe and supportive learning environment for each and every student. As members of the Horace Allen School community, we ask students, parents, and staff to always represent our school values that allow us to collaborate as a community to bring out the best in each other; being respectful, honest, caring, responsible and fair.

At Horace Allen School, we follow 3 rules:

We take care of ourselves

We take care of each other

We take care of our environment.

LEARNING AND CARING ...IT'S WHAT WE DO AT HORACE ALLEN SCHOOL!

Sincerely,

Elaine Garner, Principal
