

## Meeting #3

November 7, 2024

**Horace Allen Eco Club mission: to 'take care of the environment' by finding ways to help nature!**

**Goal - to see how we can help the world at school we will look at what one school did and discuss what we might do...**

- to learn about the 'green triangle'
- to pack 4 shoeboxes for Operation Christmas Child

**Literacy Anchor - 2 Posters "Recycling" and "Garbage" attached**

**"Recycling" video:**

[https://www.youtube.com/watch?v=6jQ7y\\_qQYUA](https://www.youtube.com/watch?v=6jQ7y_qQYUA)

**Your Mission -**

1. Ask your teacher if you can show the posters to your class and see who knows some things that are garbage and cannot be recycled?
2. Ask your teacher if your classroom has a green recycling box to use? Tell your class what items can go in this box and bring it to Eco meetings to empty.
3. Remind your class of our 3 recycling bins by the staffroom – one for cell phones and electronics, one for markers, pens, pencils and crayons and one for used blankets, facecloths, towels and pet supplies for the Hillcrest Animal Shelter!
